# Outline

1. Background and objectives
2. Main investor concerns
3. Main principles and recommendations, with key examples
4. Next steps

# EDTF Membership

- EDTF established in May 2012
- Task Force has 3 co-chairs, 27 members
  - Investors/investor representatives/analysts 10
  - Rating agencies 2
  - Accounting firms 4
  - Banks - risk 9
  - finance 3
  - Trade associations 2
- Has met four times in London, New York, Singapore and Frankfurt
  - work has focused on large international banks
- Conducted significant outreach programme
- Report published late October 2012

# List of banks on the EDTF

BNP Paribas

Commonwealth Bank of Australia

DBS

Deutsche Bank

HSBC

ING

JPMorgan Chase

Mitsubishi UFJ

Royal Bank of Canada

Santander

UBS

# Structure of the report

- Report of the EDTF contains
  - 7 fundamental principles
  - 32 recommendations

Supported by additional commentary, examples of recommended disclosures and leading or best practice disclosures

- Fundamental principles are expected to be enduring and to provide a firm foundation from which to achieve transparent, high-quality risk disclosures

# Main areas of investor concern

- Difficulty in understanding a bank's business model and how it relates to its risk measures and financial statements
- Density and scattered location of risk disclosures
- Lack of timely reporting of both risk and financial information
- Basel 2 capital and risk-weighted assets
- Liquid assets, availability of funding and level of unencumbered assets
- Lack of granular disclosures on credit exposures
- Effect of forbearance activities on reported impaired loans

# The fundamental principles

1. Clear, balanced and understandable
2. Comprehensive, covering all of the key activities and risks
3. Present relevant information
4. Reflect how risk is managed
5. Consistency over time
6. Comparable among banks
7. Provided on a timely basis

# Summary of recommendations

General	4
Risk governance and risk management strategies/ business model	4
Capital adequacy and RWAs	9
Liquidity	1
Funding	3
Market risk	4
Credit risk	5
Other risks	2
	<hr/>
	32

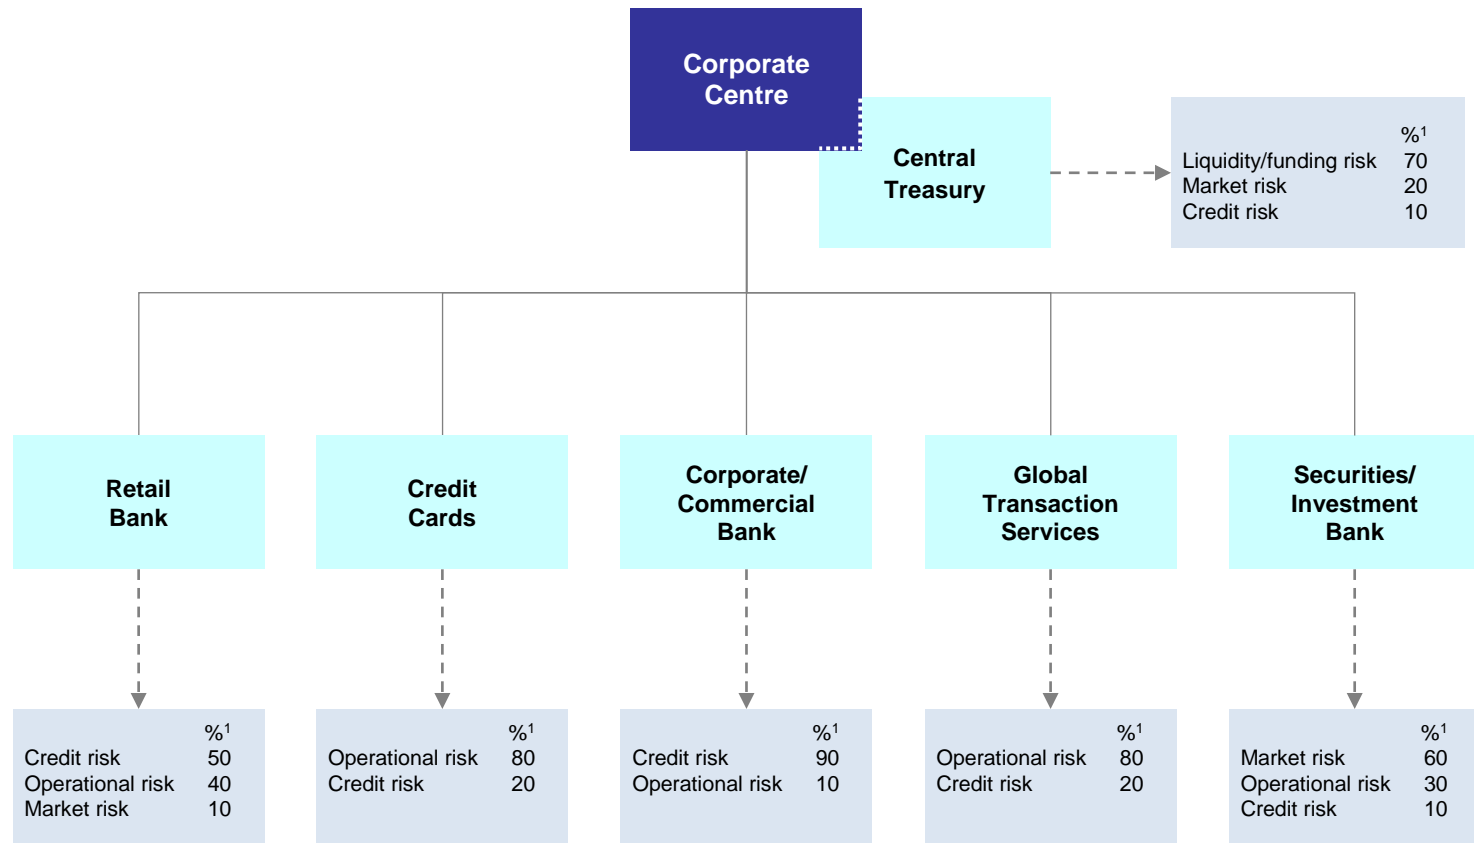

# Main recommendations

1. Present all related risk information together
7. Describe the key risks that arise from the bank's business models, the bank's risk appetite in the context of its business models and how the bank manages such risks (Figure 1)
- 11/16. Present flow statements on regulatory capital and RWAs (Figure 2)
- 14/15. Provide information on RWA density and model parameters for main portfolios (Figure 3)
18. Provide a quantified analysis of liquid assets

## Main recommendations *(continued)*

19. Provide a summary of encumbered and unencumbered assets (Figure 4)
22. Provide high level map of main market risk measures to the balance sheet (Figure 5)
24. Provide information on risk of loss outside main reported market risk measures
26. Provide a quantitative summary of aggregate credit-risk exposures that reconciles to the balance sheet, including detailed tables for both retail and corporate portfolios that segments the portfolio by relevant factors
- 27/28. Describe forbearance, impaired loan definitions and policies together with quantified movement analysis

# Figure 1. *Example of a business model and the key risks*

# Figure 2. *Example of a flow statement for risk-weighted assets*

# Areas of particular interest to the IASB

- EDTF consistent with paragraphs 7 and 31 of IFRS 7
- Disclosure can be made in audited accounts, MD&A or Pillar 3
- Principles and recommendations build on existing GAAP and other disclosure requirements
- Reflects current risk issues focussed on banks

## Areas of particular interest to the IASB (cont'd)

- Recommendation to describe the policy for identifying impaired loans, including how the bank defines impaired, restructured and cured loans as well as explanation of the loan forbearance policies
- Reconciliation of movement in impaired loans
- Maturity analysis of assets and liabilities on a residual contractual maturity basis
- Encumbered assets table
- Package of liquidity and funding recommendations and usefulness of consolidated cashflow statement

# Public expressions of support
